

Ala Costa's Looking for Kids!!!

- Supporting children and youth in a 5:1 ratio
 - 2 Sites, Berkeley and Oakland
- After-School Programs and Summer Day Camp
- Children and youth, ages 5-22 with Developmental Disabilities

Ala Costa's afterschool program is a recreational program with a focus on functional skill building and center & community-based programming. Support at our programs is provided with a 5:1 (student to staff) ratio in order to meet the individual goals of each participant.

Since 1972 our mission has been to empower individuals with disabilities to find, use, and strengthen their unique skills and talents while having some fun and supporting their families.
